Casino Christmas

On December 11, 2010, thirty six TSSC Members and non-members enjoyed a festive CASINO CHRISTMAS at the home of Pattie Davis. As the “Players” arrived they were greeted by the “Pit Boss” of the evening, Joe Scott, who presented them with “betting tickets” to play the games for prizes. Games were Peppermint Run Horse Race, Carolers Craps, Texas Tinsel Town Hold ‘Em and Twelve Days Tripoly. Dealers at the games were Jeff Cron, Patty Cron, Nova Conner, Steve Yancey, Bill Weaver and Tsubasa Ohki. At the end of the games, the top three tickets holders received prizes. Top tickets holders were Luan Greubel, Terri Guarini and Judy Leahy. An added attraction that delighted the group was the fancy card tricks exhibited by Tsubasa. Snacks, appetizers, sweets, and Christmas punch were served throughout the evening, with the highlight being the huge Pizzas from Turoni’s. Most of the group had never seen a 29” pizza. Thanks to Luan Greubel and Gene Brouillard for taking the time from the Party to do the Pizza delivery....A GOOD TIME WAS HAD BY ALL.

A very important message regarding baggage and flights.

National Ski Club Newsflash

We have just been notified by Sports America that American Airlines has changed their boot bag+ski bag = one bag policy. They are now considering your suitcase as a bag (\$25 each way), your ski bag as second piece (\$35 each way), and your boot bag as a third piece (\$100 each way). The three bags will cost the skier \$320 round trip in baggage fees if the rule stands and that's a \$200 price increase for a round trip (to be applied after the purchase). The airline is suggesting that skiers put their boots in their carry on luggage to avoid the new \$200 fee.

I have copied the statement below that was taken from their website at <http://www.aa.com/i18n/travelInformation/baggage/baggageAllowance.jsp> That new policy (which is way down at the bottom of the page referenced above) reads: "One pair of skis/snowboard is charged the applicable checked bag charge for the 1st or 2nd checked bag. *Separate ski/snowboard boot bags are considered an additional piece.* When in excess, each item will be subject to the baggage charge for a single piece." Mike Hibbard of Sports America is collecting emails from ski clubs and other folks and will forward them as a batch to the appropriate person at American Airlines if you would like to comment. Our concern is not only for those clubs that have already booked on American Airlines this season and will be assessed an additional fee after the purchase was made -- but we are worried that United and other airlines will follow suit if the AA rule stands. Anyway, those of you who wish to protest, may send an email to Mike Hibbard, who has set up a special email address to do so. It is air@sportsamerica.com
